

## Fill in the gaps

You (1) me on the path	I (14) (15) it's not for me
Keep showing me the way	Tell me what you can hear
I feel a little lost	And then (16) me (17) you see
A (2) strange today	Everybody has a (18) way
I (3) I'll take a hold	To view the world
Of whatever (4) my way	I would like you to know
Then we'll see what happens	When you see the simple things
Take it day by day	To (19) this life
I though I had it all	It's not too late to learn
I had it all worked out	Tell me (20) you can hear
Just what my (5) held	And (21) tell me what you see
That there (6) be no doubt	Everybody has a (22) way
But then the card came up	To view the world
And I took (7) turn	I would like you to know
But I don't (8) if it's	When you see the simple things
Fulfillment (9) I yearn	To (23) this life
Tell me what you can hear	It's not too (24) to learn
And then tell me (10) you see	Don't want to be here
Everybody has a (11) way	Somewhere I'd (25) be
To view the world	But (26) I get there
I would like you to know	I might find it's not for me
When you see the simple things	Don't know what I want
To appreciate this life	Or where I want to be
It's not too (12) to learn	I'm feeling more confused
Don't (13) to be here	The more the days go by
Somewhere I'd rather be	
But when I get there
