

Better than all the rest

## Fill in the gaps

I call you when I need you, my heart's on fire	Better than anyone
You come to me, come to me, (1) and wild	Anyone I've (6) met
Now you come to me	I'm stuck on your heart
Give me everything I need	I hang on every word you say
Give me a lifetime of (2) and a world of	Tear us apart, no, no
dreams	Baby I would rather be dead
Speak a (3) of love like you know what it	Each time you (7) me I start (8)
means	control
And it can't be wrong	You're walking away with my heart and my soul
Take my heart and (4) it strong, babe	I can feel you even when I'm alone
You're simply the best	Oh baby, don't let go
Better than all the rest	You're the best
Better than anyone	Better than all the rest
Anyone I've ever met	Better than anyone
I'm stuck on your heart	Anyone I've ever met
I hang on every word you say	I'm stuck on your heart
Tear us apart	I hang on every word you say
Baby I would rather be dead	No, (9) us apart, no, no
In your heart I see the start of every night and every day	Baby I would rather be dead
In your eyes, I get lost, I get washed away	(Ooh) you're the best
Just as long as I'm here in your arms	
I could be in no better place	
You're (5) the best
