(1) you when I need you, my heart's on fire	Better (17) anyone
You come to me, come to me, wild and wild	Anyone I've (18) met
Now you come to me	I'm stuck on your heart
Give me (2) I need	I hang on every word you say
Give me a (3) of (4)	Tear us apart, no, no
and a world of dreams	Baby I would rather be dead
Speak a language of (5) like you know	Each (19) you (20) me I start losing
(6) it means	control
And it can't be wrong	You're walking (21) with my (22) and
Take my (7) and make it strong, babe	my soul
You're simply the best	I can feel you even when I'm alone
Better than all the rest	Oh baby, don't let go
Better than anyone	You're the best
Anyone I've ever met	Better (23) all the rest
I'm (8) on (9) heart	Better (24) anyone
I hang on every word you say	Anyone I've ever met
Tear us apart	I'm stuck on your heart
Baby I (10) rather be dead	I hang on every word you say
In your heart I see the (11) of every	No, tear us apart, no, no
(12) and (13) day	Baby I (25) rather be dead
In your eyes, I get lost, I get washed away	(Ooh) you're the best
Just as (14) as I'm here in your arms	
I could be in no (15) place	
You're (16) the best	
Better than all the rest
