I call you when I need you, my heart's on fire	Better than anyone
You (1) to me, come to me, wild and wild	Anyone I've ever met
Now you come to me	I'm stuck on your heart
Give me everything I need	I hang on (5) word you say
Give me a lifetime of (2) and a world of	Tear us apart, no, no
dreams	Baby I would rather be dead
Speak a language of love like you know what it means	Each time you leave me I start (6) control
And it can't be wrong	You're walking (7) with my heart and my soul
Take my heart and make it strong, babe	I can feel you even when I'm alone
You're (3) the best	Oh baby, don't let go
Better than all the rest	You're the best
Better than anyone	Better than all the rest
Anyone I've ever met	Better than anyone
I'm stuck on your heart	Anyone I've (8) met
I hang on every word you say	I'm (9) on your heart
Tear us apart	I hang on every word you say
Baby I would rather be dead	No, (10) us apart, no, no
In your heart I see the start of every night and every day	Baby I would rather be dead
In your eyes, I get lost, I get washed away	(Ooh) you're the best
Just as long as I'm here in (4) arms	
I could be in no better place	
You're simply the best	
Better than all the rest
