

## Fill in the gaps

Every day I wake up and it's Sunday	But that's not you
Whatever's in my head won't go away	And you know it's true
The (1) is (2) all the usual	But that won't do
What's a (3) anyway?	Maybe (14) (15)
Because my inside is outside	(16) be Monday
My right side's on the left side	And whatever's in my head (17) go away
Cause I'm writing to reach you now but	But still the radio keeps playing all the usual
I might never (4) you	And what's a Wonderwall anyway?
Only want to teach you	Because my (18) is outside
About you	My right side's on the (19) side
But that's not you	Cause I'm (20) to (21) you
It's good to know that you are (5) for Christmas	now but
It's good to know that you are doing well	I might (22) you
It's good to (6) that you all know I'm hurting	Only want to teach you
It's (7) to (8) I'm feeling not so well	About you
Because my (9) is outside	But that's not you
My right side's on the left side	And you (24) it's true
Cause I'm writing to reach you now but	But that won't do
I (10) reach you	And you know it's you
Only (12) to (13) you	I'm talking to
About you
