

## Fill in the gaps

I backed my car (1) a cop car the other day	No, don't you worry
Well he just drove off, (2) life's OK	We'll all float on alright
I ran my mouth off a bit too much	Already, we'll all float on alright
(Oh) what did I say?	Don't worry, we'll all float on
Well you just laughed it off, it was all OK	(Alright! already!)
And we'll all (3) on OK	And we'll all float on
And we'll all float on OK	Alright already, we'll all float on alright
And we'll all float on OK	Don't worry even if things end up a bit too heavy
And we'll all float on anyway, well	We'll all float on
A fake Jamaican took every (4) dime with that	Alright already, we'll all float on alright
scam	Already, we'll all float on OK
It was worth it just to learn some sleight of hand	Don't worry, we'll all float on
Bad news comes don't you worry even when it lands	Even if things get heavy
Good news will work its way to all them plans	We'll all (7) on alright
We both got fired on exactly the same day	Already, we'll all float on (alright!)
Well, we'll float on, good news is on the way	Don't you worry, we'll all (8) on (alright!)
And we'll all float on OK	We'll all float on
And we'll all (5) on OK	
And we'll all float on OK	
And we'll all float on alright	
Already, we'll all (6) on
