

Fill in the gaps

Brick by Boring Brick by Paramore

She lives in a fairy tale	And we'll dig a deep hole	
Somewhere too far for us to find	To bury the castle, bury the castle	
Forgotten the taste and smell	Go get your shovel	
Of the (1) that she's left behind	And we'll dig a deep hole	
It's all about the (2) the le	ns I told her To bury the castle, bury the castle	
The angles were all wrong now	Well you built up a world of magic	
She's ripping wings off of butterflies	Because (5) real life is trag	ic
Keep your feet on the ground	Yeah you built up a world of magic	
When your head's in the clouds	If it's not real	
Well go get your shovel	You can't hold it in your hand	
And we'll dig a deep hole	You can't (6) it with your he	art
To bury the castle, bury the castle	And I won't believe it	
Well go get your shovel	But if it's true	
And we'll dig a deep hole	You can see it with your eyes	
To bury the castle, bury the castle	Or even in the dark	
(Ba da ba ba da ba da)	And that's where I want to be, yeah	
So one day he (3) her crying	Go get your shovel	
Coiled up on the dirty ground	We'll dig a deep hole	
Her prince finally came to (4) her	To bury the castle, (7) the o	castle
And the rest you can figure out	Well go get your shovel	
But it was a trick	And we'll dig a (8) hole	
And the clock struck twelve	To bury the castle, bury the castle	
Well make sure	(Ba da ba ba da ba da)	
To build your house brick by boring brick	(Ba da ba ba da da ba da)	
Or the wolves gonna blow it down	(Ba da ba ba da ba da)	
Keep your feet on the ground	(Ba da ba ba da da ba da)	
When your head's in the clouds		
Well go get your shovel
