## SUB inglés

I really need you tonight

## Fill in the gaps

## A Total Eclipse Of The Heart by Bonnie Tyler

(Turn around)	Forever's gonna start tonight
Every now and then I get a little bit lonely	(Forever's gonna start tonight)
And you're never coming around	Once (7) a time I was falling in love
(Turn around)	But now I'm only falling apart
Every now and then I get a (1) bit tired	There's nothing I can do
Of listening to the sound of my tears	A total eclipse of the heart
(Turn around)	Once upon a time there was light in my life
Every now and then I get a little bit nervous	But now there's only love in the dark
That the best of all the years have gone by	Nothing I can say
(Turn around)	A total eclipse of the heart
Every now and then I get a little bit terrified	(Turn around bright eyes)
And then I see the look in your eyes	Every now and then I fall apart
(Turn around bright eyes)	(Turn around bright eyes)
Every now and then I fall apart	Every now and then I fall apart
(Turn around bright eyes)	And I need you now tonight (and I need)
Every now and then I fall apart	And I need you more (8) ever
(Turn around)	And if you'll only hold me tight (if you'll only)
Every now and then I get a little bit restless	We'll be holding on forever
And I dream of something wild	And we'll only be making it right
(Turn around)	Cause we'll never be wrong together
Every now and then I get a little bit helpless	We can take it to the end of the line
And I'm (2) like a child in your arms	Your love is like a shadow on me all of the time
(Turn around)	(All of the time)
Every now and (3) I get a little bit angry	I don't know what to do and I'm always in the dark
And I know I've got to get out and cry	We're living in a powder keg and giving off sparks
(Turn around)	I really need you tonight
Every now and (4) I get a little bit terrified	Forever's gonna start tonight
But then I see the look in (5) eyes	(Forever's gonna start tonight)
(Turn around bright eyes)	Once upon a time I was falling in love
Every now and then I (6) apart	But now I'm only falling apart
(Turn around bright eyes)	There's nothing I can do
Every now and then I fall apart	A total eclipse of the heart
And I need you now tonight	Once (9) a time there was light in my life
And I need you more than ever	But now there's only love in the dark
And if you'll only hold me tight	Nothing I can say
We'll be holding on forever	A total eclipse of the heart
And we'll only be making it right	A total eclipse of the heart
Cause we'll never be wrong together	(Turn around bright eyes)
We can take it to the end of the line	(Turn around bright eyes)
Your love is like a shadow on me all of the time	(Turn around)
(All of the time)	
I don't know what to do and I'm always in the dark	
We're living in a powder keg and giving off sparks
