A Total Eclipse Of The Heart by Bonnie Tyler

(Turn around)	Forever's gonna start tonight
Every now and then I get a little bit lonely	(Forever's gonna start tonight)
And you're never coming around	Once upon a time I was falling in love
(Turn around)	But now I'm only falling apart
Every now and (1) I get a (2) bit	There's (14) I can do
tired	A total (15) of the heart
Of listening to the sound of my tears	Once upon a time there was light in my life
(Turn around)	But now there's only love in the dark
Every now and then I get a little bit nervous	Nothing I can say
That the best of all the years have gone by	A total eclipse of the heart
(Turn around)	(Turn around bright eyes)
Every now and then I get a little bit terrified	Every now and then I (16) apart
And then I see the look in (3) eyes	(Turn around bright eyes)
(Turn around bright eyes)	Every now and (17) I fall apart
Every now and then I fall apart	And I need you now tonight (and I need)
(Turn around bright eyes)	And I need you more than ever
Every now and then I fall apart	And if you'll only hold me tight (if you'll only)
(Turn around)	We'll be holding on forever
Every now and (4) I get a little bit restless	And we'll only be making it right
And I dream of something wild	Cause we'll never be wrong together
(Turn around)	We can take it to the end of the line
Every now and then I get a little bit helpless	Your (18) is (19) a shadow on me all of
And I'm (5) (6) a child in your arms	the time
(Transport of the control of the con	
(Turn around)	(All of the time)
Every now and (7) I get a (8) bit	(All of the time) I don't know what to do and I'm always in the dark
Every now and (7) I get a (8) bit	I don't know what to do and I'm always in the dark
Every now and (7) I get a (8) bit angry	I don't know what to do and I'm always in the dark We're (20) in a powder keg and giving off
Every now and (7) I get a (8) bit angry And I know I've got to get out and cry	I don't know what to do and I'm always in the dark We're (20) in a powder keg and giving off sparks
Every now and (7) I get a (8) bit angry And I know I've got to get out and cry (Turn around)	I don't know what to do and I'm always in the dark We're (20) in a powder keg and giving off sparks I really need you tonight
