Feel It In My Bones by Tiësto feat Tegan & Sara

Blow by blow, I didn't see it coming	You're knockin at my windows
Blow by blow, sucker punch	You're slowing letting me go
Rushes in, here to stay	And I know this feeling oh, so
Rushes in, you are here to stay	This feeling in my bones
What rushes into my heart and my skull	I feel it in my bones
I can't control, (1) about it	And then my skull feels pressure
Feel it in my bones	I feel it in my bones
What rushes into my heart and my skull	I (4) it in my skull
I can't control	I feel you in my bones
I feel you in my bones	You're knocking at my windows
You're knocking at my windows	You're slowing lettin me go
You're slowing lettin me go	And I know this (5) oh, so
And I know this feeling oh, so	This feeling in my bones
This feeling in my bones	I take a breath, take a breath
Left hook, I didn't see it coming	With me blow by blow
Left hook, you've got dead aim	Take a break, take a break from you
Rushes out, run away	You are here to stay
Rushes out, you always run away	I (6) my heart out of my chest
What rushes into my heart and my skull	I just don't need it anymore
I can't control, think (2) it	Take my (7) up again
Feel it in my bones	I just don't need it anymore
What rushes into my heart and my skull	I feel you in my bones
I can't control	You're knocking at my windows
I feel you in my bones	You're slowing (8) me go
You're knocking at my windows	And I know this feeling oh, so
You're slowing lettin me go	This (9) in my bones
And I know this feeling oh, so
