

Fill in the gaps

How can you always be late for (1) arrival?	Are your eyes showing off for mine
You know I'd forgive you every single time	Your face in my hands is everything good I need
Retreat, retreat	Bones, starved of flesh
I've fallen at the low tide	Surround your aching heart
(Oh) retreat, retreat	Full of love
And meet me by the quayside	(Oh) bones, starved of flesh
In the end all you can hope for	Surround your aching heart
Is the love you felt to equal the pain you've (2)	Full of love
through	Bones, starved of flesh
Are your (3) showing off for mine	Surround your aching heart
Your (4) in my (5) is everything good	Bones
Ineed	(Oh) bones
The system's put in place, put there to protect us	I watch as your eyes show off for mine
For you I'd throw a lifeline every time	I (7) as your (8) show off
(Oh) Retreat, retreat	I watch as (9) eyes (10) off
I've fallen at the low tide	I watch as your eyes show off for mine
Now retreat, retreat	
And (6) me by the quayside	
In the end all you can hope for	
Is the love you felt to equal the pain you've gone through
