

## Fill in the gaps

| How can you always be late for your arrival?         |
|--|
| You know I'd forgive you every single time           |
| Retreat, retreat                                     |
| I've fallen at the low tide                          |
| (Oh) retreat, retreat                                |
| And meet me by the quayside                          |
| In the end all you can hope for                      |
| Is the love you felt to equal the pain you've (1)    |
| through  |
| Are your eyes showing off for mine                   |
| Your face in my hands is (2) good I                  |
| need   |
| The system's put in place, put (3) to protect us     |
| For you I'd throw a lifeline every time              |
|  |
| (Oh) Retreat, retreat                                |
| (Oh) Retreat, retreat<br>I've fallen at the low tide |
|  |
| I've fallen at the low tide                          |
| I've fallen at the low tide  Now retreat, retreat    |

| Are your eyes (4)_    | off for mine                          |
|-----------------------|---------------------------------------|
| Your (5)              | in my hands is everything good I need |
| Bones, starved of fle | esh                                   |
| Surround your achir   | ng heart                              |
| Full of love          |                                       |
| (Oh) bones, starved   | of flesh                              |
| Surround your achir   | ng heart                              |
| Full of love          |                                       |
| Bones, (6)            | of flesh                              |
| Surround your achir   | ng heart                              |
| Bones                 |                                       |
| (Oh) bones            |                                       |
| I watch as your eyes  | s (7) off for mine                    |
| I watch as your eyes  | s (8) off                             |
| I (9) a               | s your eyes show off                  |
| I watch as your ever  | s show off for mine                   |
