

## Fill in the gaps

From our lives beginning on
We are pushed in little forms
No one asks us how we like to be
In (1) they teach you what to think
But everyone says (2) things
But they're all convinced that they're the ones to see
So they keep talking and they never stop
And at certains (3) you (4) it up
So the only thing that's left to think is this
(I (5) out) To live my life alone
(I (6) out) Leave me be
(I want out) To do things on my own
(I (7) out) To live my life and to be free
People tell me A and B
They tell me how I have to see
Things that I have seen already clear
So they push me then from side to side
They're pushing me from black to white
They're pushing 'til there's (8) more to hear

But don't (9) me to the maximum
Shut your mouth and take it home
'Cause I decide the way things gonna be
(I want out) To live my life alone
(I want out) (10) me be
(I want out) To do things on my own
(I want out) To live my life and to be free
There's a million ways to see the things in life
A million ways to be the fool
In the end of it, none of us is right
Sometimes we need to be alone
No, No, No, No, No, No
Leave me aloneTo live my life alone
(I want out) Leave me be
(I want out) To do things on my own
(I want out) To live my life and to be free (Ah!!!)
I want out!!!
