## Better In Time (Live) by Leona Lewis

Since there's no more you and me (no more you and me)

t's been the longest winter without you	It's time I let you go so I can be free
didn't know where to turn to	And live my life how it should be
See, somehow I can't forget you	No matter how (5) it is
After all that we've (1) through	I'll be fine without you, yes I will
Going, coming thought I (2) a knock	Thought I couldn't live without you
Who's there? No one	It's gonna hurt when it heals too (oh)
Thinking that I deserve it	It'll all get better in time
Now I realize that I really didn't, (nooo)	And even though I really love you
f you didn't notice, you mean everything	I'm gonna (6) cause I deserve to (yes I do)
Quickly I'm learning to love again	It'll all get better in time
All that I know is I'm gon' be okay	Thought I couldn't (7) (8) you
Thought I couldn't live without you	It's gonna hurt when it heals too (yeah)
t's gonna hurt when it heals too, (ooh yeah)	It'll all get better in time
(It'll all get better in time)	And even though I really love you
And (3) though I really love you	I'm gonna smile cause I (9) to (yes)
'm gonna smile (4) I deserve to	It'll all get better in time
t'll all get better in time
