

Just to look into your eyes

The Keeper of the Stars by Tracy Bird

t was no accident me finding you	I know I don't deserve a treasure like you
Someone had a hand in it	There really are no words
ong (1) we ever knew	To show my gratitude
Now I just can't believe you're in my life	So I tip my hat to the keeper of the stars
Heaven's smilin' down on me	He sure knew (6) he was doing
As I look at you tonight	When he (7) (8) two hearts
tip my hat to the keeper of the stars	I (9) everything
He sure (2) (3) he was doing	When I (10) you in my arms
When he joined these two hearts	I've got all I'll ever need
(4) everything	Thanks to the keeper of the stars
When I hold you in my arms	It was no accident me finding you
ve got all I'll (5) need	Someone had a hand in it
Thanks to the keeper of the stars	Long before we ever knew
Soft moonlight on your face (oh) how you shine	
t takes my breath away
