Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave (1)_____ star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You think you might cross over
You caught between the (2)_____ and the deep blue sea
You better look it over
Before you make (3)_____ leap
And you know I'm fine but I hear (4)_____ voices at night
Sometimes... they justify my claim
And the public don't (5)_____ on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna (6)_____ you mad
The (7)_____ says everybody look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile (8)_____ to run from east to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star (9)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (10)_____ mind
It's all in my mind
It's all in my mind...
