

## Fill in the gaps

## Secret Garden by Bruce Springsteen

She'll let you in her house	To that (10) where you can't remember
If you (1) knocking (2) at night	And you can't forget
She'll let you in her mouth	She'll (11) you (12) a path
If the words you say are right	There'll be (13) in the air
If you pay the price	She'll let you (14) (15) far enough
She'll let you (3) inside	So you know she's really there
But there's a (4) garden she hides	Then she'll look at you and smile
She'll let you in her car	And her eyes (16) say
To go driving 'round	She's got a secret garden
She'll let you into the (5) of herself	Where (17) you want
That'll bring you down	Where everything you need
She'll let you in her heart	Will (18) stay
If you got a (6) and a vise	A (19) miles away
But (7) her secret garden, don't (8)	
twice	
You've gone a (9) miles	
How far'd you get
