

Fill in the gaps

Saying I (1) you
Is not the words I want to hear from you
It's not that I want you
Not to say, but, if you only knew
How easy, it would be to show me how you feel
More than words, is all you have to do to (2) it real
Then you wouldn't have to say, that you (3) me
Cos I'd already know
What would you do, if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say, if I took (4) away
Then you couldn't make (6) new
Just by saying I love you
Just by saying I love you More than words
More than words
More than words Now that I've tried to, talk to you and make you understand
More than words Now that I've tried to, talk to you and make you understand All you have to do is close your eyes
More than words Now that I've tried to, talk to you and make you understand All you have to do is close your eyes And just reach out your hands, and touch me
More than words Now that I've tried to, talk to you and make you understand All you have to do is close your eyes And just reach out your hands, and touch me Hold me close don't ever let me go
More than words Now that I've tried to, talk to you and make you understand All you have to do is close your eyes And just reach out your hands, and touch me Hold me close don't ever let me go More (7) words, is all I ever needed you to show
More than words Now that I've tried to, talk to you and make you understand All you have to do is close your eyes And just reach out your hands, and touch me Hold me close don't ever let me go More (7) words, is all I ever needed you to show Then you wouldn't have to say, that you (8) me
