

Faithfulness

Fill in the gaps

Tastefulness
My mouth upon the richest tongues
I run for this
Static at the same time by it all
Common sense
Can slap me in the face
And yet I calm disent
Embarrassed by your obvious
Indifference
Disgusted at the same time by it all
Watching as my ego breaks your fall
Don't you know that I've
Been running from your heart
And I feel (1) you've (2)
(3) too
(3) too Don't you know that I've
Don't you know that I've
Don't you know that I've Been lying from the start
Don't you know that I've Been lying from the start And I feel like you've been lying too
Don't you know that I've Been lying from the start And I feel like you've been lying too Leave you now
Don't you know that I've Been lying from the start And I feel like you've been lying too Leave you now Can't convince myself
Don't you know that I've Been lying from the start And I feel like you've been lying too Leave you now Can't convince myself That you're the one somehow

Now I've left you standing on your feet

Don't you know that I've

Been running (4) (5) heart
And I feel like you've been running too
Don't you know that I've
Been lying from the start
And I feel like you've been
Lying too
Faithfulness is just a (6) rule
We break
Still pretending lust was just a fool
We faked, we made
Don't you know that I've
Been running (7) your heart
And I (8) like you've been running too
Don't you know (9) I've
Been lying from the start
And I feel (10) you've been
Lying too
Don't you know that I've
Been running from your heart
And I feel like you've been running too
Don't you know that I've
Been lying from the start
And I feel like you've
Been lying too
