

Fill in the gaps

Faithfulness	Been running from your heart
Distracts me from my ever changing	And I (12) (13) you've been
Tastefulness	(14) too
My mouth upon the (1) tongues	Don't you know that I've
I run for this	Been lying from the start
Static at the same time by it all	And I (15) (16) you've been
Common sense	Lying too
Can slap me in the face	Faithfulness is just a little rule
And yet I calm disent	We break
Embarrassed by (2) obvious	Still pretending lust was just a fool
Indifference	We faked, we made
Disgusted at the same time by it all	
Watching as my ego breaks your fall	Don't you know that I've
Don't you know that I've	Been running from your heart
Been running (3) your heart	And I (17) like you've been running too
And I feel like you've been running too	Don't you know that I've
Don't you know (4) I've	Been lying (18) the start
Been (5) the start	And I feel like you've been
And I feel (7) you've (8) lying too	Lying too
Leave you now	Don't you (19) that I've
Can't convince myself	Been running (20) your heart
That you're the one somehow	And I (21) like you've been (22)
To free me (9) this smile	too
I call my loneliness	Don't you (23) that I've
Stuck inside this need to feel complete	Been (24) from the start
Now I've left you standing on (10) feet	And I feel like you've
Don't you (11) that I've	Been lying too
