Faithfulness
Distracts me from my ever changing
Tastefulness
My mouth upon the richest tongues
I run for this
Static at the same time by it all
Common sense
Can slap me in the face
And yet I calm disent
Embarrassed by your obvious
Indifference
Disgusted at the same time by it all
Watching as my ego breaks (1) fall
Don't you (2) that I've
Been running from your heart
And I feel like you've been (3) too
Don't you (4) that I've
Been lying from the start
And I feel like you've been lying too
Leave you now
Can't (5) myself
That you're the one somehow
To free me from this smile
I call my loneliness
Stuck inside this need to feel complete
Now I've left you standing on your feet
Don't you know that I've

Been running from your heart
And I feel like you've been running too
Don't you know that I've
Been lying (6) the start
And I feel like you've been
Lying too
Faithfulness is just a little rule
We break
Still pretending lust was just a fool
We faked, we made
Don't you know that I've
Been running from your heart
And I feel (7) you've been running too
Don't you know (8) I've
Been lying from the start
And I feel like you've been
Lying too
Don't you know that I've
Been running from your heart
And I feel like you've been running too
Don't you know that I've
Been lying from the start
And I feel like you've
Been lying too
