

Fill in the gaps

Thursday night, everything's fine		And I know that I should let go, but I can't
Except you've got that look in (1) eye		And every time we (13) I (14) it's no
When I'm telling a story, and you find it boring		right
You're thinking of something to say		Every time (15) you're upset and I smile
You'll go (2)	with it, (3) drop it	I know I should forget, but I can't
And (4)	me in front of our friends	Your face is pastey
Then I'll use that voice that you find annoying		'Cause you've (16) and got so wasted
And say something like,		What a surprise
"Yeah, intelligent input, darling.		Don't want to look at your face, 'cause it's (17)
Why don't you just have another beer then?"		me sick
Then you'll call me a bitch		You've gone and got sick on my trainers
And everyone we're with will be embarrassed		I only got these yesterday
And I won't give a shit		Oh my gosh, I cannot be bothered with this
My fingertips are holding onto		Well, I'll leave you there 'till the morning
The cracks in our foundation		And I purposely won't turn the (18) on
And I know (5) I should let go, but I can't		And dear God, I hope I'm not (19) with this one
And every time we fight I know it's not right		My fingertips are holding onto
Every time that you're upset and I smile		The cracks in our foundation
I know I should forget, but I can't		And I know (20) I should let go, but I can't
You said I must eat so many lemons		And every time we fight I (21) it's not right
'Cause I am so bitter		Every time that you're (22) and I smile
I said, "I'd rather be with your friends, mate,		I know I should forget, but I can't
'Cause they are (6) fitter."		And every time we (23) I know it's not right
Yes, it was childish		Every time that you're upset and I smile
And you got aggressive		I know I should forget, but I can't
And I must admit (7) I was a bit scared		And every (24) we fight I know it's not right
But it gives me (8) to (9) you up		Every (25) that you're upset and I smile
My (10)	are (11)	I know I should forget, but I can't
