

## Fill in the gaps

We were both young when I (1) saw you	And I said
I close my eyes	Romeo take me somewhere we can be alone
And the flashback starts	I'll be (5) all there's left to do is run
I'm standing there	You'll be the prince and I'll be the princess
On a balcony in summer air	It's a love story baby just say yes
See the lights	Romeo save me, they try to tell me how to feel
See the party, the ball gowns	This love is difficult, but it's real
I see you make your way through the crowd	Don't be afraid, we'll make it out of this mess
And say hello	It's a (6) story baby just say yes
Little did I know	(Oh oh)
That you were Romeo, you were throwing pebbles	I got tired of waiting
And my daddy said (2) away from Juliet	Wondering if you were (7) coming around
And I was crying on the staircase	My faith in you is fading
Begging you please don't go	When I met you on the outskirts of town
And I said	And I said
Romeo take me somewhere we can be alone	Romeo save me I've been feeling so alone
I'll be waiting all there's left to do is run	I keep waiting for you but you never come
You'll be the prince and I'll be the princess	Is this in my head? I don't know what to think
It's a love story baby just say yes	He (8) to the ground and pulled out a ring and
So I sneak out to the garden to see you	said
We (3) quiet 'cause we're dead if they knew	Marry me Juliet, you'll never have to be alone
So (4) your eyes	I love you and that's all I really know
Escape this town for a little while	I talked to your dad, go (9) out a white dress
'Cause you were Romeo, I was a scarlet letter	It's a love story baby just say yes
And my daddy said stay away from Juliet	(Oh, oh, oh, oh)
But you were everything to me	'Cause we were both young when I first saw you
I was begging you please don't go
