

Fill in the gaps

We were both young when I first saw you	And I said
I (1) my eyes	Romeo take me somewhere we can be alone
And the flashback starts	I'll be waiting all there's (16) to do is run
I'm standing there	You'll be the prince and I'll be the princess
On a (2) in summer air	It's a love story baby just say yes
See the lights	Romeo save me, (17) try to (18) me
See the party, the ball gowns	how to feel
I see you make (3) way through the crowd	This love is difficult, but it's real
And say hello	Don't be afraid, we'll make it out of this mess
Little did I know	It's a love story baby just say yes
That you were Romeo, you were throwing pebbles	(Oh oh)
And my daddy (4) stay away (5) Juliet	I got tired of waiting
And I was crying on the staircase	Wondering if you were ever (19) around
Begging you please don't go	My faith in you is fading
And I said	When I met you on the outskirts of town
Romeo take me somewhere we can be alone	And I said
I'll be waiting all there's left to do is run	Romeo save me I've been feeling so alone
You'll be the prince and I'll be the princess	I keep (20) for you but you never come
It's a love story baby (6) say yes	Is this in my head? I don't know (21) to think
So I sneak out to the (7) to see you	He knelt to the ground and pulled out a (22) and
We keep (8) 'cause we're dead if they knew	said
So close (9) eyes	Marry me Juliet, you'll never have to be alone
Escape (10) town for a little while	I love you and that's all I (23) know
'Cause you (11) Romeo, I was a scarlet letter	I talked to (24) dad, go pick out a white dress
And my (12) said stay (13)	It's a love (25) baby just say yes
(14) Juliet	(Oh, oh, oh, oh)
But you were everything to me	'Cause we were both young when I (26) saw
I was begging you (15) don't go	you
