

Fill in the gaps

When leaves have fallen	Haven't you seen?
And (1) turned (2) grey	The (20) of our world
The night keeps on closing in on the day	She covers the earth (21) a breathtaking cloak
A nightingale (3) his song of farewell	The sun awakes and (22) it away
You (4) (5) for her	The world now (23) its eyes and sees
(6) hell	The (24) of a new day
On (7) (8) she's coming	On cold wings she's coming
You better (9) moving	You better keep moving
For warmth, you'll be longing	For warmth, you'll be longing
Come on (10) feel it	Come on just feel it
Don't you see it?	Don't you see it?
You better believe it	You better believe it
When she embraces	Whenever she is raging
Your (11) to stone	She takes all life away
She (13) at (14) when you are all	Haven't you seen?
alone	Haven't you seen?
And when she whispers	The (25) of our world
Your blood shall run cold	Whenever she is raging
You better (15) before she (16) you	She takes all life away
Whenever she is raging	Haven't you seen?
She takes all (17) away	Haven't you seen?
Haven't you seen?	The ruins of our world
Haven't you seen?	
The (18) of our world	
Whenever she is raging	
She takes all (19) away	
Haven't you seen?
