Fill in the gaps

Hips Don't Lie by Shakira & Wyclef Jean

	Half animal half man
I never really knew that she could dance like this	I don't don't really know what I'm doing
She makes a man wants to speak Spanish	But you seem to have a plan
	My will and self restraint
Oh baby when you talk like that	Have come to (6) now fail now
You make a woman go mad	See I am doing what I can but I can't so you know
So be wise and keep on	That's a bit too hard to explain
Reading the signs of my body	
And I'm on tonight	I never really knew that she could dance like this
You know my hips don't lie	She makes a man want to speak Spanish
And I'm starting to feel it's right	
All the attraction the tension	Oh baby when you talk like that
Don't you see baby this is perfection	You (7) you got me hypnotized
Hey Girl I can see your body moving	So be (8) and keep on
And it's driving me crazy	Reading the signs of my body
And I didn't have the slightest idea	(Señorita) feel the (9) let me see you move
Until I saw you dancing	Like you come (10) Colombia
And when you walk up on the dance floor	She's so sexy every man's fantasy a refugee like me
Nobody cannot ignore the way you move your body girl	Back with the Fugees from a 3rd world country
And (1) so unexpected the way you	I go back like when 'pac carried crates for Humpty Humpty
right and left it	We need a whole club dizzy
So you can keep on taking it	Why the CIA wanna watch us?
I never really knew that she could dance like this	Colombians and Haitians
She makes a man (2) to (3) Spanish	I ain't guilty it's a musical transaction
	No more do we snatch ropes Refugees
Oh baby when you talk like that	Run the seas 'cause we own our own boats
You make a woman go mad	I'm on tonight my hips don't lie
So be wise and keep on	And I'm starting to feel you boy
Reading the signs of my body	Come on let's go real slow
And I'm on tonight	Baby like this is perfecto
You know my hips don't lie	Oh you know I am on tonight and my hips don't lie
And I am starting to feel you boy	And I am starting to feel it's right
Come on lets go real slow	The attraction the tension
Don't you see (4) (asi es perfecto)	Baby like this is perfection
Oh I know I am on tonight my hips don't lie	
And I am (5) to feel it's right	
All the attraction the tension	
Don't you see baby this is perfection	
Oh boy I can see your body moving	

- 1. everything
- 2. want
- 3. speak
