## Hips Don't Lie by Shakira & Wyclef Jean

	Half animal half man
I never really knew that she could (1) like this	I don't don't really know what I'm doing
She makes a man wants to speak Spanish	But you seem to have a plan
	My (3) and self restraint
Oh baby when you talk like that	Have come to fail now fail now
You make a woman go mad	See I am doing what I can but I can't so you know
So be wise and keep on	That's a bit too hard to explain
Reading the signs of my body	
And I'm on tonight	I never really knew (4) she could dance
You know my hips don't lie	(5) this
And I'm starting to feel it's right	She makes a man want to speak Spanish
All the attraction the tension	
Don't you see baby this is perfection	Oh baby when you talk (6) that
Hey Girl I can see your body moving	You know you got me hypnotized
And it's driving me crazy	So be (7) and keep on
And I didn't have the slightest idea	Reading the (8) of my body
Until I saw you dancing	(Señorita) feel the conga let me see you move
And when you walk up on the dance floor	Like you (9) from Colombia
Nobody cannot ignore the way you move your body girl	She's so sexy every man's fantasy a refugee like me
And everything so (2) the way you	Back with the Fugees from a 3rd world country
right and left it	I go back like when 'pac carried crates for Humpty Humpty
So you can keep on taking it	We need a whole club dizzy
I never really knew that she could dance like this	Why the CIA wanna (10) us?
She makes a man want to speak Spanish	Colombians and Haitians
	I ain't guilty it's a musical transaction
Oh baby when you talk like that	No more do we snatch ropes Refugees
You make a woman go mad	Run the seas 'cause we own our own boats
So be wise and keep on	I'm on tonight my hips don't lie
Reading the signs of my body	And I'm starting to feel you boy
And I'm on tonight	Come on let's go real slow
You know my hips don't lie	Baby like this is perfecto
And I am starting to feel you boy	Oh you know I am on tonight and my hips don't lie
Come on lets go real slow	And I am starting to feel it's right
Don't you see baby (asi es perfecto)	The attraction the tension
Oh I know I am on tonight my hips don't lie	Baby like this is perfection
And I am starting to feel it's right
