

And everything's goin' right, right...

Fill in the gaps

(Hey yeah yeah)	And (17) has a (18) way
An old man turned ninety-eight	Nobody helpin' you out
He won the (1) and died the next day	When you think everything's (19) wrong
It's a black fly in your Chardonnay	And everything blows up in (20) face
It's a death row (2) two minutes too late	A traffic jam (21) you're already late
Isn't it ironic	A no (22) sign on (23) cigarette
Don't you think?	break
It's like rain on your weddin' day	It's like ten thousand spoons
It's a (3) (4) (5) you've	When all you need is a knife
already paid	It's meeting the man of my dreams
It's the good (6) that you (7) didn't	And then meetin' his beautiful wife
take	And isn't it ironic
And who would've thought, it figures	Don't you think?
Mr. (8) It Safe was (9) to fly	A little too ironic
He packed his suitcase and kissed his kids goodbye	And yeah, I really do think
He waited his whole damn (10) to (11)	It's like (24) on your weddin' day
that flight	It's a (25) (26) (27) you've
And as the (12) crashed down he thought	already paid
Well, isn't this nice	It's the good advice that you just didn't take
And isn't it ironic	And who would've thought, it figures
Don't you think?	And your (28) has a funny way
It's like (13) on (14) weddin' day	Of sneaking up on you
It's a free ride when you've (15) paid	Life has a funny, (29) way
It's the good advice that you just didn't take	Of helping you out
And who would've thought, it figures	Helping you out
Well (16) has a funny way	
Of sneakin' up on you	
When you think everything's akey
