

Fill in the gaps

You'll remember me when the west wind moves
Upon the fields of barley
You'll forget the sun in his (1) sky
As we (2) in fields of gold
So she took her love
For to gaze awhile
Upon the fields of barley
In his arms she fell as her hair came down
Among the fields of gold
Will you stay with me, will you be my love
Among the fields of barley
We'll (3) the sun in his jealous sky
As we lie in (4) of gold
See the west (5) (6) like a lover so
Upon the fields of barley
Feel her body rise when you kiss her mouth
Among the fields of gold

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in (7) of gold
Many years (8) passed since those summer days
Among the fields of barley
See the children run as the sun goes down
Among the fields of gold
You'll remember me (9) the west wind moves
Upon the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold
