

## Fill in the gaps

(We're doing it)	Gonna find the future
I (1) around me	And (9) loves company, well so long
But all I seem to see	You'll (10) me when I'm gone
Is people going nowhere	
Expecting sympathy	You're gonna (11) me (12) I'm gone
It's like we're going through the motions	
Of a scripted destiny	You're gonna miss me when I'm gone
Tell me where's our inspiration	When I'm gone
If life won't wait	Let's go!
I guess it's up to me	Won't (13) (14) when I say goodbye
(Whoa)	I'm gonna leave (15) hole (16) me
No, we're not gonna waste	Gonna (17) what's mine tonight
Another moment in (2) town	'Cause (18) (19) day
(Whoa)	Becomes a wasted chance
We won't come back the (3) is	You're gonna wake up feeling sorry
(4) out	'Cause life won't wait, I (20) it's up to you
(Whoa)	(Whoa)
Leave the past in the past	No, we're not gonna waste
Gonna find the future	Another moment in this town
And misery loves company, well so long	(Whoa)
You'll (5) me (6) I'm gone	We won't (21) back the (22) is
	(23) out
You're (7) miss me when I'm gone	(Whoa)
	Leave the past in the past
Procrastination running circles in my head	Gonna find the future
While you sit there contemplating	And misery (24) company, well so long
You're wound up left for dead	You'll miss me (25) I'm gone
(You're left for dead)	
Life is what happens	You're gonna miss me when I'm gone
While you're busy making your excuses	
Another day, another casualty	You're gonna miss me (26) I'm gone
But that won't happen to me	
(Whoa)	You're gonna miss me when I'm gone
No, we're not gonna waste	
Another moment in (8) town	You're gonna miss me when I'm gone
(Whoa)	
We won't come back the world is calling out	
(Whoa)	
Leave the past in the past
