### Fill in the gaps

#### CanA't Have You by Jonas Brothers

You warned me that you were gonna leave (leave, leave)	Tell me you love me too
I never thought you would really go (go, go)	'Cause I'd rather just be alone
I was blind but baby now I see (see, see)	If I know that I can't have you
Broke your heart but now I know ( now I, now I know)	So (5) me what we're fighting for
That I was being such a fool (oooh)	Cause you know that truth means so much more
And I didn't deserve you (oooh)	Cause you would if you could, don't lie (don't lie)
I don't wanna fall asleep	Cause I give everything that I've got left
Cause I don't know if I'll get up	To show you I (6) what I have said
And I don't wanna cause a scene	I know I was such a fool
But I'm dyin' without (1) love	But I can't live without you (without you)
Begging to (2) your voice	I don't wanna fall asleep
Tell me you love me too	Don't know if I'll get up
'Cause I'd rather just be alone	Don't (7) cause a scene
If I know that I can't have you	But I'm dyin' without your love
Looking at the letter you (3) you left	Begging to hear your voice
[the letter that you left, will I ever get you back]	Tell me you love me too
Wondering if I'll ever get you back	'Cause I'd rather just be alone
[ooh aahp, ooh ahh, ooh aahp, ooh ahh]	If I know that I can't have you
Dreaming about when I'll see you next	Yeah!
[When will I see you next? Will I ever get you back]	I don't wanna fall asleep (don't wanna (8) asleep)
Knowing that I never will forget	Cause I don't know if I'll get up (who knows if I'll get up)
[I won't forget, I won't forget]	And I don't (9) cause a scene
That I was being such a fool (oooh)	'Cause I'm dyin' without your love
Now I still don't deserve you (oooh)	Yeah!
I don't wanna fall asleep	Begging to hear your voice (let me hear your voice)
Cause I don't know if I'll get up	Tell me you love me too (tell me you love me too)
And I don't wanna cause a scene	'Cause I'd rather (10) be alone
'Cause I'm dyin' without your love	If I know that I can't have you
Yeah!	
Begging to hear (4) voice	

#### 1. your

- 2. hear
- 3. that
- 4. your
- 5. tell
- 6. mean
- 7. wanna
- 8. fall
- 9. wanna
- 10. just
