

## Fill in the gaps

What day is it?	I can't keep my eyes off of you
And in what month?	There's (11) about you now
This (1) never (2) so alive	I can't quite figure out
I can't (3) up	Everything she does is beautiful
And I can't back down	Everything she does is right
I've been losing so (4) time	Cause it's you and me
Cause it's you and me	And all of the people (12) (13)
And all of the people with nothing to do	to do
Nothing to lose	Nothing to lose
And it's you and me	And it's you and me
And all of the people	And all of the people
And I don't (5) why	And I don't know why
I can't (6) my eyes off of you	I can't (14) my (15) off of you and me
One of the things that I want to say	And all of the people
Just aren't (7) out right	With (16) to do
I'm tripping on words	Nothing to prove
You've got my (8) spinning	And it's you and me
I don't know (9) to go from here	And all of the people
Cause it's you and me	And I don't know why
And all of the people with (10) to do	I can't keep my eyes off of you
Nothing to prove	What day is it?
And it's you and me	And in what month?
And all of the people	This clock never (17) so alive
And I don't know why
