

Encumbered forever by desire and ambition

## Fill in the gaps

Beyond the horizon of the (1) we lived	There's a hunger still unsatisfied
When we (2) young	Our weary eyes still stray to the horizon
In a world of (3) and miracles	The dog is road, we've (7) so many times
Our thoughts strayed constantly and without boundary	The grass was greener
The ringing of the division bell had begun	The light was brighter
Along the Long Road and on down the Causeway	With friends surrounded
Do they still meet there by the Cut	The nights of wonder
There was a ragged band (4) followed our	With (8) surrounded
footsteps	The dawn mist growing
Running (5) time took our dreams away	The water flowing
Leaving the myriad small creatures	The endless river
Trying to tie us to the ground	Forever and ever
To a (6) consumed by slow decay	The grass was greener
The grass was greener	The light was brighter
The light was brighter	The (9) was sweeter
With friends surrounded	The nights of wonder
The nights of wonder	With friends surrounded
Looking beyond the embers of bridges glowing behind us	The dawn mist growing
To a glimpse of how green it was on the other side	The water flowing
Steps taken forwards but sleepwalking back again	The (10) river
Dragged by force of some inner tide	Forever and ever
At a higher altitude with flag unfurled	
We reached the dizzy heights of that dreamed of world
