High Hopes by Nightwish

Fill in the gaps

There's a hunger still unsatisfied

Beyond the horizon of the place we lived When we were young In a world of magnets and miracles Our thoughts strayed constantly and without boundary The ringing of the division bell had begun Along the Long Road and on (1)_____ the Causeway Do they still meet there by the Cut There was a ragged band (2)_____ followed our footsteps __ time took our dreams away Running (3)____ Leaving the myriad small creatures Trying to tie us to the ground To a life consumed by slow decay The grass was greener The light was brighter With friends surrounded The nights of wonder Looking beyond the embers of bridges glowing behind us To a glimpse of how green it was on the other side Steps (4)_____ forwards but _____ back again Dragged by force of (6)_____ inner tide At a higher altitude with flag unfurled We reached the dizzy heights of that dreamed of world

Encumbered forever by desire and ambition

_
Our weary eyes still stray to the horizon
The dog is road, we've been so many times
The grass was greener
The light was brighter
With friends surrounded
The nights of wonder
With friends surrounded
The dawn mist growing
The water flowing
The endless river
Forever and ever
The (7) was greener
The light was brighter
The taste was sweeter
The nights of wonder
With friends surrounded
The dawn mist growing
The (8) flowing
The endless river
Forever and ever
