Fill in the gaps

I Don't Care by Apocalyptica & Adam Gontier

I try to make it (1) my life	I don't care
In my way	Just go and leave this all behind
There's you	Cause I swear (I swear)
I try to make it through these lies	I don't care
And that's all I do	Love changing everything
Just don't deny it	You won't be left for me
Don't try to fight this	Love changing everything
And deal with it	You won't be left for me
And that's (2) of it	If you were dead or still alive
If you were dead or still alive	I don't care
I don't care	I don't care
I don't care	Just go and leave (8) all behind
Just go and leave this all behind	Cause I swear (I swear)
Cause I (4) (I swear)	I don't care
I don't care	If you were dead or still alive
I try to make you see my side	I don't care (I don't care)
Always trying to (5) in line	I don't care (I don't care)
But your eyes see right through	Just go and leave (9) all behind
That's all (6) do	I don't care (I swear)
I'm (7) buried in this place	I don't care
I got no room your in my face	At all
Don't say anything just go away
