

Lucky to have been where I have been

## Fill in the gaps

## Lucky by Jason Mraz & Colbie Caillat

Do you hear me	Lucky to be (4) home again
I'm (1) to you	Lucky we're in love in every way
Across the water	Lucky to have stayed (5) we have stayed
Across the deep blue ocean	Lucky to be coming home someday
Under the open sky	And so I'm (6) through the sea
(Oh) my and baby I'm trying	To an island where we'll meet
Boy I hear you in my dreams	You'll hear the music (7) the air
I feel your whisper across the sea	I'll put a flower in your hair
I keep you with me in my heart	Though the breezes through the trees
You make it (2) when life gets hard	Move so pretty, you're all I see
Lucky I'm in love with my best friend	As the world (8) spinning around
Lucky to have been where I have been	You hold me right here right now
Lucky to be coming home again	Lucky I'm in love with my best friend
They don't know how long it takes	Lucky to have been where I have been
Waiting for a love (3) this	Lucky to be coming home again
Every time we say goodbye	Lucky we're in love in every way
I wish we had one more kiss	Lucky to (9) stayed where we have stayed
I wait for you, I promise you I will	Lucky to be coming (10) someday
Lucky I'm in love with my best friend
