## Give It To Me Right by Melanie Fiona

Okay, okay,	You know what I like,
He's got my (1) and	Won't you (11) it
You can't, you can't	I don't (12) it all the time,
Warn me baby (2) I am	But when I want it,
Either you make the time	You better make me smile
Or just forget me	So (13) it to me right,
I'm not, I'm not	Or don't give it to me at all
Tryna run (3) life	I don't think you understand,
That's why, that's why	If you can't please me,
I'm nobody's wife	I (14) someone who can
But when I want, (4) I want it	Give it to me right,
You gotta be ready	Or don't give it to me at all
I don't want it all the time,	This is the (15) life baby
But (5) I get it,	This is the life (16) makes me say
I better be satisfied	(Yeah, yeah, yeahh)
So give it to me right,	This is the real thing baby
Or don't give it to me at all	When I'm alone I can make me say
I don't think you understand,	(Yeah, yeah, yeah, yeahh)
How real it is for me to find	I don't (17) it all the time,
A man who (6) he can	But when I want it
So (7) it to me right,	You better make me smile
Or don't give it to me at all	So give it to me right,
(yeah yeah)	Or don't (18) it to me at all
On time, on time	I don't think you understand,
I expect you to be	If you can't (19) me,
Oh my, oh my	I know (20) who can
Baby in my fantasy	So (21) it to me right,
You can't get it right,	Or don't (22) it to me at all
Then just forget it	Give it to me right
No (8) ok	Give it to me right
For you to go around	
(Uh uh), today	
You (9) (10) a touch down
