

So close you can almost taste it

Fill in the gaps

am unwritten can't read my mind	Release (6) inhibitions
'm undefined	Feel the rain on (7) skin
'm just beginning	No one else can feel it for you
The pen's in my hand	Only you can let it in
Ending unplanned	No one else, no one else
Staring at the blank page before you	Can speak the words on your lips
Open up the dirty window	Drench yourself in words unspoken
Let the sun illuminate the words that	Live your life with arms wide open
ou could not find	Today is where your book begins
Reaching for something in the distance	The (8) is still unwritten
So close you can almost taste it	
Release your inhibitions	Staring at the blank page before you
Feel the rain on your skin	Open up the dirty window
No one else can feel it for you	Let the sun illuminate the words that
Only you can let it in	You could not find
No one else, no one else	Reaching for (9) in the distance
Can speak the words on your lips	So close you can almost taste it
Drench yourself in words unspoken	Release your inhibitions
ive your (1) with arms wide open	Feel the rain on your skin
Today is where your book begins	No one else can feel it for you
The rest is still unwritten	Only you can let it in
Dh oh	No one else, no one else
(2) tradition	Can speak the words on your lips
Sometimes my tries	Drench yourself in words unspoken
Are outside the lines	Live your (10) with arms wide open
Ve've (3) conditioned	Today is where your book begins
To not make mistakes	The rest is still unwritten
But I can't live (4) way	The rest is still unwritten
Staring at the blank page (5) you	
Open up the dirty window	(The rest is still unwritten)
Let the sun illuminate the words that	
ou could not find	
Reaching for something in the distance
