Fill in the gaps

Unwritten by Natasha Bedingfield

I am unwritten can't read my mind	Release (10) inhibitions
I'm undefined	Feel the rain on your skin
I'm just beginning	No one (11) can feel it for you
The pen's in my hand	Only you can let it in
Ending unplanned	No one else, no one else
Staring at the (1) page before you	Can speak the (12) on (13) lips
Open up the dirty window	Drench (14) in (15)
Let the sun illuminate the words that	unspoken
You could not find	Live your (16) with (17) wide open
Reaching for something in the distance	Today is (18) your book begins
So (2) you can (3) taste it	The rest is still unwritten
Release your inhibitions	
Feel the rain on your skin	Staring at the (19) page before you
No one else can feel it for you	Open up the (20) window
Only you can let it in	Let the sun illuminate the (21) that
No one else, no one else	You could not find
Can speak the (4) on your lips	Reaching for something in the distance
Drench yourself in words unspoken	So close you can almost (22) it
Live your life with arms wide open	Release your inhibitions
Today is (5) your (6) begins	Feel the rain on (23) skin
The rest is still unwritten	No one else can (24) it for you
Oh oh	Only you can let it in
I (7) tradition	No one else, no one else
Sometimes my tries	Can speak the words on your lips
Are outside the lines	Drench (25) in words unspoken
We've been conditioned	Live (26) (27) with arms wide open
To not make mistakes	Today is where your book begins
But I can't live (8) way	The (28) is still unwritten
Staring at the blank page before you	The (29) is still unwritten
Open up the dirty window	
Let the sun illuminate the words that	(The rest is still unwritten)
You (9) not find	
Reaching for something in the distance	
So close you can almost taste it
