

Fill in the gaps

I am unwritten can't read my mind	Release your inhibitions
I'm undefined	Feel the rain on (10) skin
I'm just beginning	No one else can (11) it for you
The pen's in my hand	Only you can let it in
Ending unplanned	No one else, no one else
Staring at the blank page before you	Can speak the (12) on your lips
Open up the dirty window	Drench (13) in words unspoken
Let the sun illuminate the words that	Live your life with arms wide open
You could not find	Today is where your book begins
Reaching for something in the distance	The (14) is (15) unwritten
So close you can almost (1) it	
Release your inhibitions	Staring at the blank page before you
Feel the rain on your skin	Open up the dirty window
No one (2) can (3) it for you	Let the sun illuminate the words that
Only you can let it in	You (16) not find
No one else, no one else	Reaching for something in the distance
Can speak the words on your lips	So (17) you can (18) taste it
Drench yourself in words unspoken	Release your inhibitions
Live (4) life with arms wide open	Feel the rain on your skin
Today is where your book begins	No one (19) can feel it for you
The (5) is still unwritten	Only you can let it in
Oh oh	No one else, no one else
I break tradition	Can speak the (20) on your lips
Sometimes my tries	Drench (21) in words unspoken
Are (6) the lines	Live (22) life with (23) wide open
We've been conditioned	Today is where your book begins
To not make mistakes	The rest is (24) unwritten
But I can't (7) that way	The rest is still unwritten
Staring at the blank page before you	
Open up the (8) window	(The rest is still unwritten)
Let the sun illuminate the (9) that	
You could not find	
Reaching for something in the distance	
So close you can almost taste it
