

## Fill in the gaps

	Wake up call
I didn't hear what you were saying	Caught you in the morning with another one in my bed
I live on raw emotion baby	Don't you (6) about me anymore?
I answer questions (1) maybe	Don't you care (7) me? I don't think so
And I'm not kind if you betray me	Six foot tall
So who the hell are you to say we	Came without a warning so I had to shoot him dead
Never would have made it babe	He won't come around here anymore
If you needed love	Come around here?
Well (2) ask for love	I don't feel so bad
Could have given love	I don't feel so bad
Now I'm taking love	I don't feel so bad
And it's not my fault	I'm so sorry darling
Cause you both deserve	Did I do the wrong thing?
What is coming now	Oh, what was I thinking?
So don't say a word	Is his heart still beating?
Wake up call	
Caught you in the morning with another one in my bed	Wake up call
Don't you care about me anymore?	Caught you in the morning with another one in my bed
Don't you care about me? I don't think so	Don't you (8) about me anymore?
Six foot tall	Don't you care about me? I don't think so
Came without a warning so I had to shoot him dead	Six (9) tall
He won't (3) around here anymore	Came without a warning so I had to shoot him dead
Come around here? I don't think so	He won't come around here anymore
Would have bled to (4) you happy	Come around here anymore? I don't feel so bad
You didn't need to (5) me that way	Wake up call
And now you beat me at my own game	Caught you in the morning with another one in my bed
And now I find you sleeping soundly	Don't you care about me anymore?
And your lovers screaming loudly	Don't you care about me? I don't think so
Hear a sound and hit the ground	Six foot tall
If you needed love	Came without a warning so I had to shoot him dead
Well then ask for love	He won't come around here anymore
Could have given love	No, he won't come around here. I don't feel so bad
Now I'm taking love	I don't (10) so bad
And it's not my fault	I don't feel so bad
Cause you both deserve	
What's coming now	
So don't say a word
