Fill in the gaps

When Love Takes Over by David Guetta & Kelly Rowland

It's complicated, it always is	(Tonight, tonight, tonight)
That's just the way it goes	(Tonight, tonight, tonight)
Feels like the way it is so long for this	(Tonight, tonight, tonight)
I wonder if it shows	(Tonight, tonight, tonight)
And under water now I can breath	Tonight
It never felt so good	I'll be loving all the time, it's true
'Cause I can feel it coming over me	'Cause I (9) to make it right with you
I wouldn't stop it if I could	When love takes over
When love takes over yeah	When love takes over
You know you can't deny	When love takes over
When love takes over yeah	When love takes over
'Cause something's (1) tonight	When love takes over
Give me a reason I gotta know	When (10) takes over
Do you (2) it too?	When love takes over
Cant you see me (3) on overload	Over, over
And this (4) I (5) you	Over, over
(Hmm) looking out for you to hold my hand	Over, over, over
It feels like I could fall	When love takes over yeah
Now (6) me right, like I know you can	You know you can't deny
We could lose it all	When love takes over yeah
When love takes over yeah	'Cause something's here tonight
You know you can't deny	
When (7) (8) over yeah	
'Cause something's here tonight
