

Fill in the gaps

Leaves are on the ground	Who will you blame?
Fall has come	I can't go on
Blue skies (1) gray	And let you (4) it all
Like my love	It's more (5) I can take
I tried to carry you	Who'll ease your pain?
And make you whole	Ease (6) pain?
But it was never enough	(Oh)
I must go	And who is gonna save you when I'm gone?
And who is gonna save you when I'm gone?	And who'll (7) over you
And who'll watch over you	And who will give you strength
When I'm gone?	When you're not strong
You say, you care for me	Who'll (8) over you (9) I've gone
But hide it well	away?
How can you love someone not yourself?	Snow is on the ground
And who is gonna save you when I'm gone?	Winters come
And who'll watch over you	You long to hear my voice
When I'm gone?	But I'm long gone
And (2) I'm gone	
Who will (3) your fall?
