

Fill in the gaps

I don't know if I can yell any louder		I always say how I don't need you			
How many (1)	have I kicked you outta here?	But it's always (4) (5) right back to			
Or said something insulting?		this			
I can be so mean when I wanna be		Please, don't leave me			
I am capable of really anything		I forgot to say out loud how beautiful you really are to me			
I can cut you into pieces		I can't be without, you're my perfect little punching bag			
When my heart is broken		And I need you, I'm sorry			
Please don't leave me		(Da da da, da da)			
Please don't leave me		Please, please don't leave me			
I always say how I don't need you		Baby please don't leave me			
But it's always gonna come right back to this		No, don't (6) me			
Please, don't leave me		Please don't leave me			
How did I become so obnoxious?		I always say how I don't need you			
What is it with you that makes me act like this?		But it's (7) gonna come right (8) to			
I've never been this nasty		this			
Can't you tell that this is all (2) a contest?		Please don't leave me			
The one that wins will be the one that hits the hardest		Please don't leave me			
But baby I don't mean it		I always say how I don't need you			
I (3) it, I promise		But it's always gonna (9) right back to this			
I (3) it, I promise Please don't leave me (oh)		Please, please don't leave me			
Please don't leave me (don't leave me)		Baby, please, please don't (10) me
