Where you can (1) forever
You can be sure

You and me together
Through the (2) and nights
I don't worry 'cause

They can say what (3) like
But all I know is
Everything's gonna be alright
No one, no one
Can get in the way of what I'm feeling
No one, no one
Can get in the way of (4) I feel for you
You you
Can get in the way of (5) I feel for you
When the rain is (6) down
And my heart is hurting
You will always be around
This, I know, for certain
You and me together
Through the (7) and nights
I don't (8) 'cause
