

I (1)	(2)	you close		
Where you can stay forever				
You can be sure				
That it (3) only get better				
You and me together				
Through the days and nights				
I don't worry 'cause				
Everything's (4) be alright				
People keep talking				
They can say what they like				
But all I know is				
Everything's gonna be alright				
No one, no one, no one				
Can get in the way of what I'm feeling				
No one, no one, no one				
Can get in the way of what I (5)			for you	
You you				
Can get in the way of what I feel for you				
When the rain is pouring down				
And my heart is hurting				
You will (6) be around				
This, I know, for certain				
You and me together				
Through the days and nights				
I don't (7) 'cause				

## Fill in the gaps

Everything's gonna be alright			
People keep talking			
They can say what they like			
But all I know is			
Everything's gonna be alright			
No one, no one, no one			
Can get in the way of what I'm feeling			
No one, no one, no one			
Can get in the way of what I feel for you			
You you			
Can get in the way of (8) I feel			
I know, some people (9) the world			
To find something like what we have			
I know, people (10) try			
Try to divide something so real			
So 'till the end of time			
I'm telling you that no one			
No one, no one			
Can get in the way of what I'm feeling			
No one, no one, no one			
Can get in the way of what I feel for you
