Happy Ending by Mika							
This is the way you left me							
I'm not pretending							
No hope, no love, no glory							
No happy ending							
This is the way that we love							
Like it's forever							
Then live the (1) of our life							
But not together							
Wake up in the morning							
Stumble on my life							
Can't get no love							
Without sacrifice							
If anything (2) happen							
I guess I wish you well							
Ooh a (3) bit of heaven							
Or a little bit of hell							
This is the hardest story							
That I've (4) told							
No hope or love or glory							
Happy ending's (5) forevermore							
I feel as if I'm wasting							
And I wasted (6) day							
This is the way you (7) me							

No hope, no love, no glory No happy ending This is the way that we love Like it's forever Then (8) the rest of our life But not together Two o'clock in the morning Something's on my mind Can't get no rest Keep walking around If I pretend that nothing Ever went wrong I can get to my sleep I can think that we just carried on This is the hardest story That I've ever told No (9) or (10) or glory Happy ending's (11) forevermore I (12) as if I'm wasting And I (13) (14) day This is the way you left me	I'm not pretending
