## Everytime You Go Away by Paul Young

Hey, if we can solve any problem	You take a (5) of me with you
Then why do we lose so many tears	Oh
Oh and so you go again	Every time you go away
When the leading man appears	You take a piece of me (6) you
Always the same thing	I can't go on
Can't you see	Sayin' the same thing
We've got everything	'Cause baby, can't you see
Goin' on and on and on	We've got everything
Every (1) you go away	Goin' on and on and on
You take a piece of me (2) you	Every time you go away
Every time you go away	You take a piece of me with you
You take a piece of me with you	Every time you go away
	You take a piece of me (7) you
Go on and go free	Every time you go away
Yeah	You take a piece of me (8) you
Maybe you're too (3) to see	Every time you go away
I can feel yor (4) move	You take a piece of me with you
It doesn't mean that much to me	Every time you go away
I can't go on	You take a piece of me with you
Sayin' the same thing	Every time you go away
Just can't you see	(You take a piece of me (9) you)
We've got everything	
Baby even know, you know
