And the fault is my own

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park (When this began)

When this began)	I wanna feel
had nothing to say	What I thought was (3) real
and I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
was confused)	(Erase all the pain till it's gone)
and I let it all out to find	I wanna heal
hat I'm not the only person with these things in mind	I wanna feel
Inside of me)	Like I'm close to something real
But all that they can see the words revealed	I wanna find something I've wanted all along
s the only real thing that I've got left to feel	Somewhere I belong
Nothing to lose)	I will never know
ust stuck, hollow and alone	Myself until I do this on my own
and the fault is my own	And I will never feel
and the fault is my own	Anything else until my wounds are healed
wanna heal	I will (4) be
wanna feel	Anything till I break (5) from me
Vhat I thought was (1) real	I will break away
wanna let go of the pain I've felt so long	I'll (6) myself today
Erase all the pain till it's gone)	I wanna heal
wanna to heal	I (7) feel
wanna to feel	What I thought was never real
ike I'm close to something real	I (8) let go of the pain I've felt so long
wanna find something I've wanted all along	(Erase all the pain till it's gone)
Somewhere I belong	I wanna heal
and I've got nothing to say	I wanna feel
can't believe I didn't (2) right down on my face	Like I'm close to (9) real
was confused)	I wanna find something I've wanted all along
ooking everywhere only to find	Somewhere I belong
hat it's not the way I had imagined it all in my mind	I wanna heal
So what am I)	I wanna feel like I am
Vhat do I have but negativity	Somewhere I belong
Cause I can't justify way everyone is looking at me	I wanna heal
Nothing to lose)	I (10) feel like I am
lothing to gain, hollow and alone	Somewhere I belong
and the fault is my own	Somewhere I belong
