

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the candle light

See in the flame of life

And my (2)\_\_\_\_\_ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that (3)\_\_\_\_\_ you numb

The (4)\_\_\_\_\_ and all the (5)\_\_\_\_\_ are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel what it (6)\_\_\_\_\_ and you're drunk on love

You're sleeping in the fire

I gaze at the (7)\_\_\_\_\_ and fire burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that (8)\_\_\_\_\_ you numb

The passion and all the pain are one

You're (9)\_\_\_\_\_ in the fire

## Fill in the gaps

Answer
